1. COLFUTURO’s financing system consists of a Loan-Scholarship of up to USD25,000
   annually for a maximum financing of two years up to USD50,000.

2. The applicants for the Loan-Scholarship determine the amount to be requested from
   COLFUTURO in accordance with COLFUTURO’s policies and procedures.

3. Successful applicants or beneficiaries of this program can use the Loan-Scholarship
   to cover the full or partial costs of their graduate studies abroad.

4. COLFUTURO’s Loan-Scholarship is granted in US Dollars. All payments to
   beneficiaries (i.e., settling allowance and living allowance) are done in US Dollars but
   COLFUTURO can pay tuition to universities in other currencies. However,
   COLFUTURO beneficiaries have the obligation to assume any discrepancy arising
   from foreign exchange fluctuations, between the US Dollar amount requested to
   COLFUTURO and the other currencies.

5. COLFUTURO’s selection process for the Loan-Scholarship Program is done yearly.
   Applicants can start complying with documentary requirements when the on-line
   application becomes available on January 10th and up to February 28th. Results are
   published by mid-May.

6. COLFUTURO notifies partner universities immediately regarding the results of the
   selection process by sending them the list of COLFUTURO beneficiaries admitted to
   their graduate degree programs.

7. Once students are selected and notified as beneficiaries of COLFUTURO, the latter
   arranges a meeting with the student to explain in detail, the terms and conditions of
   the Loan-Scholarship. The student who accepts these terms and conditions, decides
   the allocation of this Loan-Scholarship taking into account the maximum amounts
   mentioned in item 1. The beneficiary can allocate approved financial support on the
   following cost items:

   - Airfare
   - Settling Allowance (one time payment of up to USD2,000)

   directly to them and to the universities or service providers.

9. COLFUTURO pays annual tuition and fees (and health insurance, when this is
    included as part of the University’s fees) directly to the universities in two

For those beneficiaries entering during the first semester of the year, the payment scheme is vice-versa, first payment in March and second payment in November.

10. The students are responsible for obtaining financial resources to cover other costs (that are not included in this Loan-Scholarship agreement) related to their program of study.

12. This loan turns into a partial scholarship when the student returns to Colombia and resides in the country for a pre-established period. In order to qualify for the scholarship the student must comply with all the requirements previously agreed with COLFUTURO.
